

USEFUL REFERENCES

There are many useful resources available through the Web. The following is only a short list of references. Many of these sites will provide links to other useful sites. Print outs of each of the sites follow.

Office for Human Research Protections (OHRP)

<http://www.hhs.gov/ohrp/>

- OHRP has a wealth of resources for IRBs through their **Policy & Guidance** link. See the webpage print out for a list of documents.
- OHRP has a **listserv** where you will automatically receive information on upcoming **trainings** and OHRP news and resources. Join OHRP's News distribution list by sending an e-mail to: LISTSERV@LIST.NIH.GOV, with the following text message body: SUBSCRIBE OHRP-L Firstname Lastname, replacing Firstname and Lastname with your name.
- Secretary's Advisory Committee on Human Research Protections: **SACHRP's** website is a link from OHRP's website.

Indian Health Service Institutional Review Board

<http://www.ihs.gov/MedicalPrograms/Research/index.cfm>

- Resources that were developed specifically for the IHS IRB can be found here.

Public Responsibility in Medicine and Research (PRIM&R)

Applied research Ethics National Association (ARENA)

<http://www.primr.org/>

- PRIMR provides **trainings** including Administrator 101 and the nation's largest conference in human research protection issues. PRIMR also provides certification for IRB members.

Community IRB Member: Neighbor and Partner

Sponsored by the Department of Energy

<http://www.ornl.gov/communityirb/>

- A forum for community IRB members is hosted here.
- The Helpful Sites link will lead to many useful links.

Bioethics Resources on the Web—National Institutes of Health

Research Ethics- Human Subjects Research and IRBs
