

Building Partnerships for Tobacco Prevention and Control

Northern Plains Tobacco Prevention and
Cessation Symposium

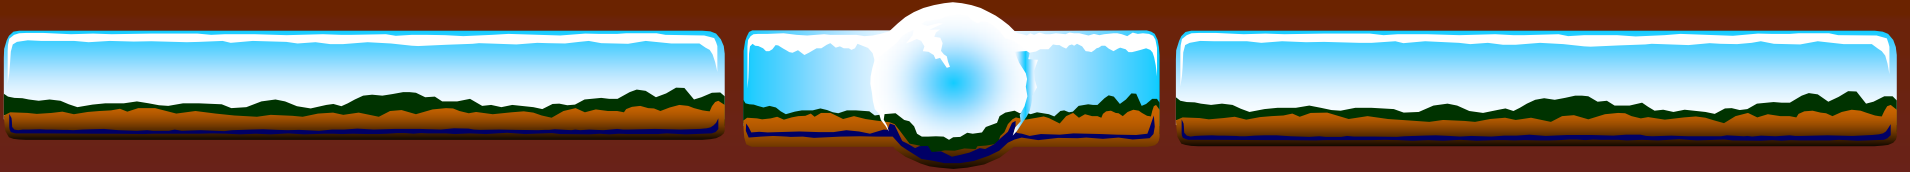

Rapid City, SD

May 19, 2005

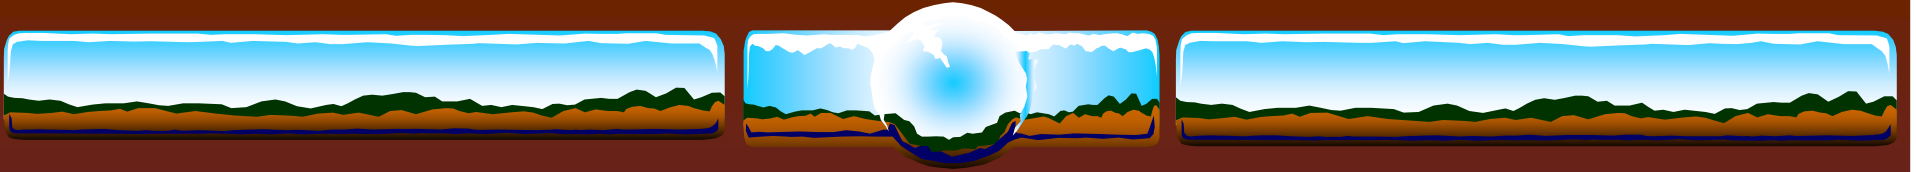

Presented by:

Kathleen Mangskau, RDH, MPA
Director, Division of Tobacco Prevention
and Control
North Dakota Department of Health

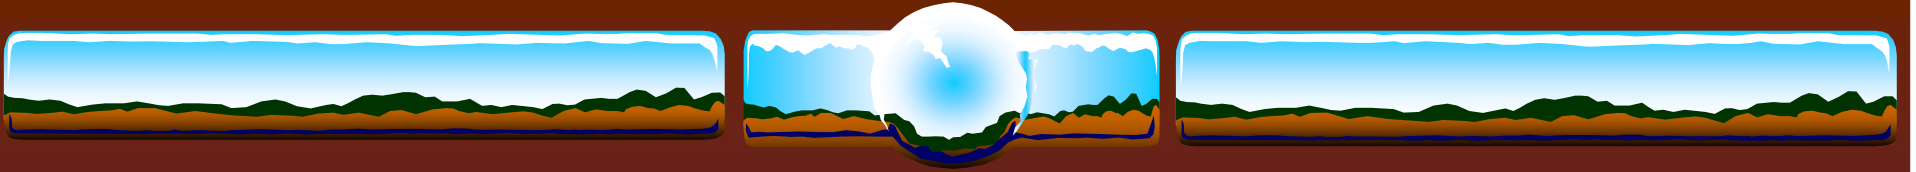

Objectives

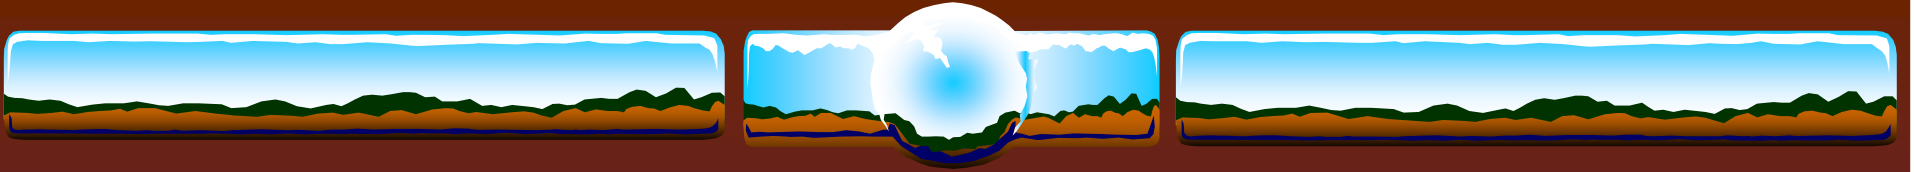

- ❖ Tribal Programs will be able to identify state resources for tobacco prevention programs.
- ❖ Tribal programs will be able to discuss the requirements of the tobacco prevention and control grant funds.

Tobacco abuse is a significant public health problem in North Dakota and is the leading cause of preventable death.

Tobacco use by Native Americans
is twice as high as the general
population.

Tribal Tobacco Prevention and Control Programs

- ❖ Turtle Mountain Band of Chippewa
- ❖ Three Affiliated Tribes
- ❖ Spirit Lake Sioux Nation
- ❖ Standing Rock Sioux
- ❖ Trenton Indian Service Area

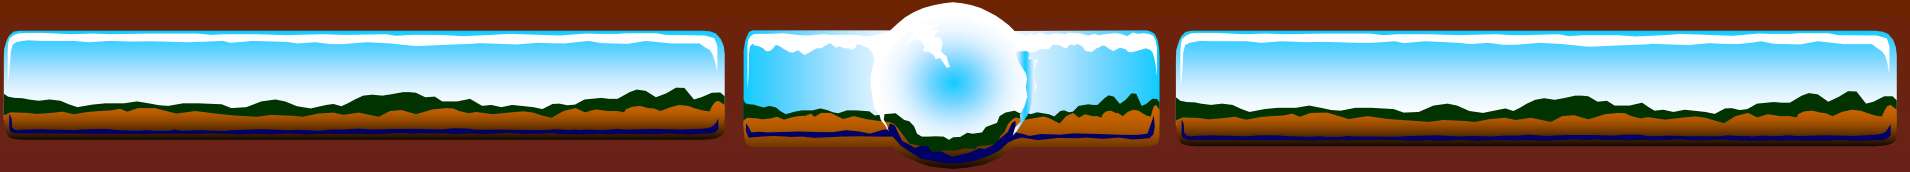

Funding

- ❖ CDC Tobacco Prevention Grants
- ❖ Community Health Grant Program
- ❖ Other grant sources

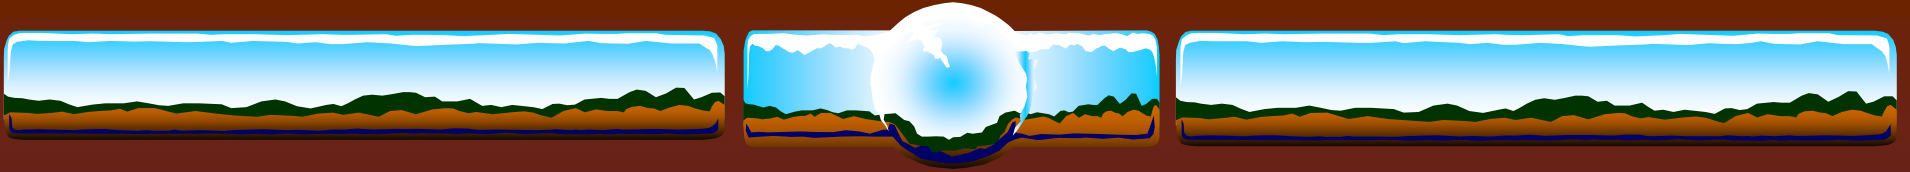

CDC Grants Program

- ❖ Available to all tribes
- ❖ Funding is competitive
- ❖ Funding range is \$15,000 - \$20,000
- ❖ Matching funds are required
- ❖ Tribes receive about 8 percent of grant funds
- ❖ Funding focus is infrastructure

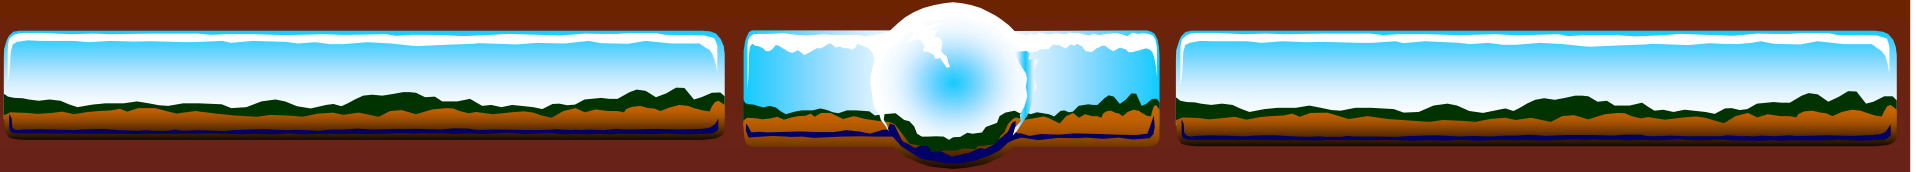

Community Health Grant Funds

- ❖ Funded by the Tobacco Master Settlement Agreement
- ❖ Has three components
 - ❖ School
 - ❖ Community
 - ❖ State Aid
- ❖ Funds are appropriated to local public health units on a per capita and per pupil basis
- ❖ Tribes must apply to local public health units for funds

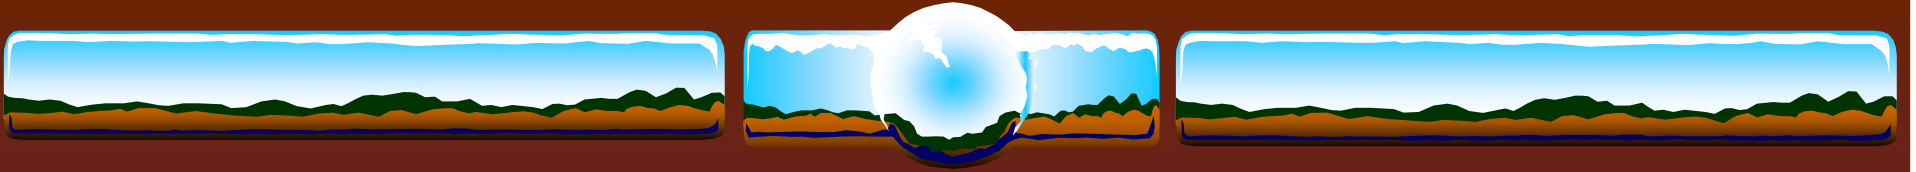

Grant Goals

- ❖ Prevent initiation among youth
- ❖ Promote quitting among youth and adults
- ❖ Reduce nonsmokers' exposure to secondhand smoke
- ❖ Identify and eliminate tobacco related disparities among specific population groups

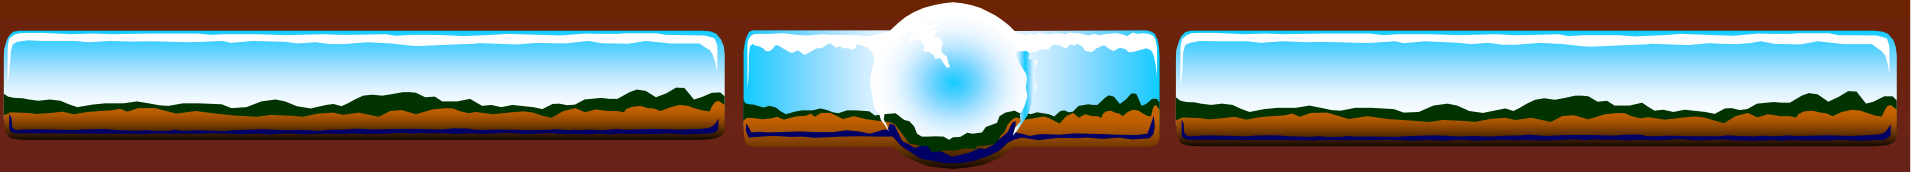

Strategies

- ❖ Community interventions
- ❖ Countermarketing
- ❖ Policy
- ❖ Surveillance and Evaluation

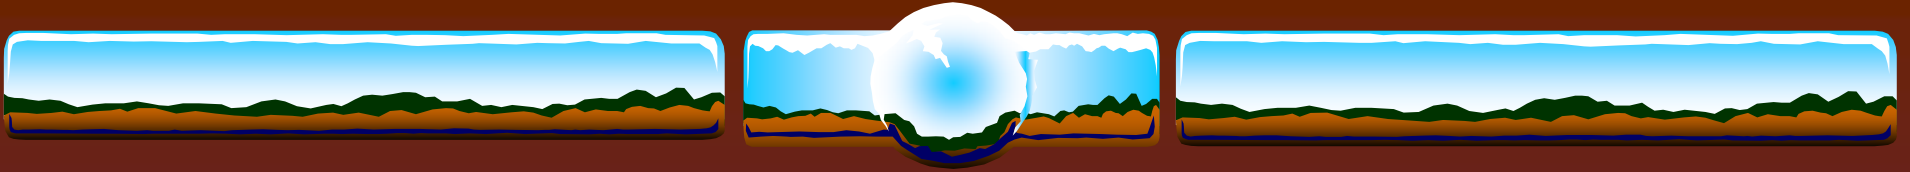

Resources

- ❖ Funding
- ❖ Technical assistance and training
 - ❖ Outreach coordinators
 - ❖ Sites meetings
 - ❖ ITAC
 - ❖ NATI

Cessation Services

- ❖ Local and tribal programs
- ❖ Statewide tobacco quitline

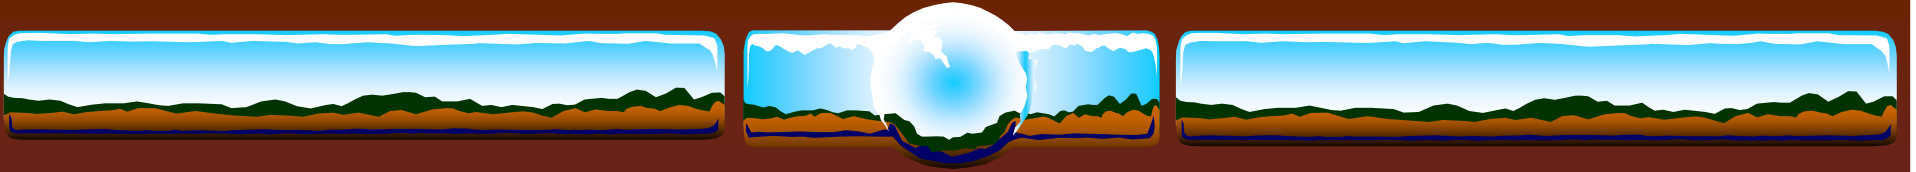

ND Tobacco Quitline Services

- ❖ Up to five free counseling sessions
- ❖ Up to 4 weeks of free NRT for those that meet income eligibility guidelines
- ❖ Relapse prevention

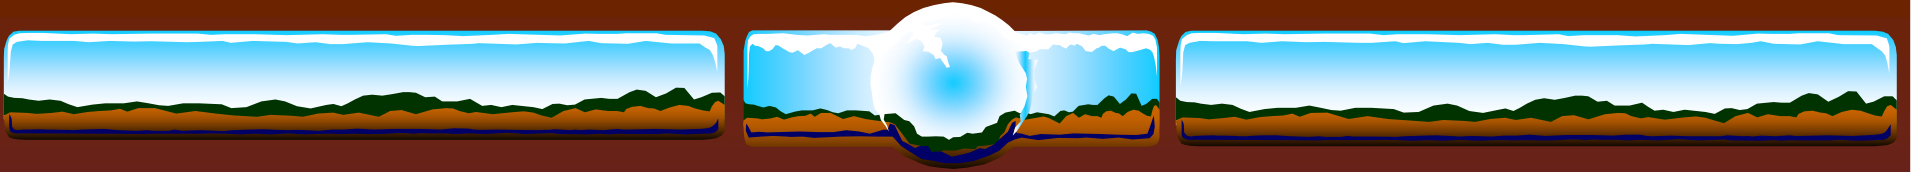

ND Tobacco Quitline

- ❖ Special protocols for:
 - ❖ Pregnant women
 - ❖ Native Americans
 - ❖ Medicaid
 - ❖ Spit tobacco users

Q North Dakota Tobacco
QUITLINE
1 • 8 6 6 • 3 8 8 • QUIT
1 • 8 6 6 • 3 8 8 • 7 8 4 8
